

Università degli Studi di Padova PADOVA NEUROSCIENCE CENTER		
TITOLO III	CLASSE 13	FASCICOLO 2019-III 13.1
DATA 17/12/2019		PROT. N. 252

December 17th, 2019

**Subject:** exclusion of Dr. Bahar Khorram from the selection tests for the awarding of n. 1 Research grant (type A) according to the Project: "Bridging electrical, metabolic and functional resting state brain networks via simultaneously recorded multimodal (EEG/PET/MR) data", lasting two years, to be held at the University Center "Padova Neuroscience Center-PNC".

The Director of the University Center "Padova Neuroscience Center-PNC":

- having read the documentation sent by Dr. Bahar Khorram on December 9th, 2019 through e-mail, to participate in the quoted selection;
- having acknowledged the documentation presented by Dr. Bahar Khorram is lacking of the following documents, as requested from the Announcement of Selection:
  - a) application form;
  - b) identity document;
  - c) list of publications,
- considering that, despite the notice sent by e-mail from the Secretariat of the Center on December 9, 2019 about the need to complete the documentation already sent with the missing documents;
- having acknowledged that the candidate did not send the missing documentation, despite the reminder,

#### DECREES

the exclusion of Dr. Bahar Khorram from the selection tests for the awarding of n. 1 Research grant (type A) according to the Project "Bridging electrical, metabolic and functional resting state brain networks via simultaneously recorded multimodal (EEG/PET/MR) data", lasting two years, to be held at the University Center "Padova Neuroscience Center-PNC".

The Director of the Center  
Prof. Maurizio Corbetta
