IT BEING DEEMED EXPEDIENT to issue a selection announcement for the awarding of no. 2 research grants.

HEREBY DECREES

Art. 1 - Purpose

A selection announcement has been published for the awarding of n.2 research grants for the research project entitled: "The brain's dark energy: observation, perturbation, and disruption studies of brain networks to understand cognition and stroke recovery" to be conducted at the University Center "Padova Neuroscience Center-PNC" under the supervision of Professor Maurizio Corbetta, who is the Research Project Supervisor.

The research grants, which shall last for 36 months each and be for a gross perceived amount each of 25.000,00 € and an estimated gross amount institution each of 30.705,00 € per annum, is issued in accordance with the current Regulations Governing Research Grant Awards and Art. 22 of Law no. 240/2010 for the aforementioned research project, in Scientific Area n. 02,05,06,09,11, and Scientific Sector and Discipline 02/FIS07; 05/BIO09; 06/MED25-26-27; 09/ING-ING06;11/PSI01-02.

The purpose of the research grants, funded by Fondazione Cariparo and whose title is: "The brain's dark energy: observation, perturbation, and disruption studies of brain networks to understand cognition and stroke recovery", is to fund research into:

"To collect and acquire fMRI, EEG, and TMS/EEG data in a set of healthy controls and stroke patients with first time lesions to understand the relationship between brain metabolism/connectivity measured with MRI, electrophysiology measured with EEG, and the propagation of signals measured with TMS/EEG.

The 1st post-doc should be expert in either brain stimulation (TMS, tDCS, ICS), recordings of activity (fMRI, EEG), or connectivity (DWI).

The 2nd post-doc shall be expert in signal analysis, especially with regard to EEG/MEG, and statistical analysis based on univariate and multivariate methods".

Art. 2 - Admissions requirements

The following are entitled to take part in this selection announcement:

- PhD graduates, or graduates with an Italian specialisation degree (*specialistica/magistrale*) or pre Italian-university-reform graduates (*vecchio ordinamento*);
- PhD graduates, or graduates with an Italian specialisation degree (*specialistica/magistrale*) or pre Italian-university-reform graduates (*vecchio ordinamento*) who have completed suitable and documented academic and professional experience after their graduation;

Candidates must have their degree by the selection announcement deadline.

Should the candidate's degree or PhD have been awarded abroad, then, for the sole purposes of this selection procedure, it must be declared to be the equivalent of an Italian specialisation degree (*specialistica/magistrale*) by a Selection Committee. Similarly, if the PhD has been awarded

purposes of this selection procedure, must be declared to be the equivalent of an Italian PhD by a Selection Committee.

In accordance with Art. 22 of Law no. 240 dated 30 December 2010, the Grant Holder may not be a permanent employee at the following universities, institutes and public research and experiment organisations: the Italian National Agency for New Technologies, Energy and Sustainable Economic Development (ENEA), the Italian Space Agency (ASI), the European University Institute, the *Scuola Normale Superiore di Pisa*, the *Scuola Superiore di studi universitari e di perfezionamento di Pisa*, the *Scuola internazionale superiore di studi avanzati di Trieste*, and the other Italian post-graduate schools that provide the equivalent of doctoral researcher courses.

The maximum period of time of research grant contracts awarded in accordance with Art. 22 of Law no. 240 dated 30 December 2010, including extensions, shall not exceed 6 years, excluding the time that coincides with the completion of a PhD and that is within the maximum legal time limit of the related course.

In accordance with Art. 18 of Law no. 240/2010, Research Grants may not be awarded to anyone who is related to or has an affinity with, up to and including the fourth degree of kinship, a professor or researcher working at the Department elected as "Research Base", or the Rector, Director General, or a member of the University Board of Governors.

Candidates shall be admitted to the selection procedure with reserve. The Center that published the selection announcement may at any moment, even after the examinations have been held, exclude candidates for not having the aforementioned requisites by reasoned order from the Head of the Center.

Art. 3 – Application

The application to take part in this selection procedure must be written on unstamped paper and addressed to the Head of the University Center "Padova Neuroscience Center-PNC"; it must, under penalty of exclusion, be submitted in one of the following methods within 30 days of this selection announcement being published in the Official University Register:

European citizens may self-certify their academic and professional qualifications. Publications may be presented as originals or as copies with a statutory declaration in accordance with DPR 445/2000.

Non-European citizens may present their original qualifications, authenticated copies thereof, or copies that have been declared to comply with the original. Non-European citizens may submit statutory declarations, as if they were European citizens, should they have to provide evidence of statuses, information and personal qualities that can be certified or attested to by Italy's Public Administration, or should a self-certification be envisaged by international conventions between Italy and the candidate's country of origin.

In circumstances other than the aforementioned, at the time of the award, the status, personal qualities and facts declared in the application must be certified true by the foreign state's competent authorities, accompanied by an Italian translation that is certified it conforms to the original by the Italian Consulate, as specified in Art. 3 of Presidential Decree no. 445/2000.

According to Law no. 104 dated 5 February 1992, candidates with a recognized disability must specify in their application any special aids or additional time they may need during the interview and which is relevant to their status.

The candidate undertakes to notify the Administration of any changes to the contact details listed in the application form.

Art. 4 – Selection Procedure

Candidates are selected by a comparative evaluation of their qualifications, academic and professional curriculum vitae, publications, 3 reference's letters and an online interview. Candidate applications shall be evaluated by a Selection Committee appointed by the Head of the

Center; the Selection Committee shall comprise three members who are experts in the field of research, one of which, normally, shall be the Research Project Supervisor.

The Selection Committee has 100 points to evaluate the candidates and they shall be awarded for:

- **qualifications: 15 points:** degree, PhD, specialisation degree, postgraduate certificates (awarded in Italy and abroad). If a PhD or an equivalent qualification obtained abroad or, for relevant research areas, specialisation degrees in medicine together with adequate scientific production output, is not deemed compulsory, for ranking purposes these qualifications will be considered desirable.
- **the curriculum vitae: 15 points:** performance of documented research activity at public and private organisations with contracts, grants or appointments (both in Italy and abroad) relevant to research stated in this selection announcement.
- **publications: 20 points:** including postgraduate dissertations (*Laurea Specialistica/Magistrale*) or PhD theses.
- **the online interview and the 3 reference letters: 50 points.**

The date of the interview, which will be held electronically using the Zoom platform, will be published at the link <https://pnc.unipd.it/category/working-at-pnc/available-positions/> after the expiry date of this announcement and will be available starting from 04/08/2020 at 2:00 p.m.

Candidates who have not been notified of their exclusion from the selection are required to attend the online interview, without prior notice, on the days and at the times aforementioned. Absence from the online interview, whatever the cause, will be considered as the candidate's withdrawal from the selection.

In order to be admitted to the online interview, candidates must provide a valid identity document.

At the end of the evaluation, the Selection Committee shall draw up a provisional ranking based on the total of the scores the candidates were awarded for each category.

To be included in the ranking, candidates must be awarded a minimum overall score of 50 points. In the event of a tie, preference will be given to the younger candidate.

The selection report and the provisional ranking shall be officially approved by a Rector's Decree and then published in the Official University Register.

Art. 5 - Entering into the agreement

An individual agreement will establish the successful candidate's specific tasks, rights and duties, assigned tasks and research activities, payable salary and social security.

The Center shall notify the winner of the date by which he or she must enter into the agreement, under penalty of cancellation.

Should the agreement not be entered into by this date, the winner shall forfeit the right to the research grant. In the event of this, the second-placed candidate in the ranking shall be declared the winner.
