neuroscience
CENTER

PhD Program in **NEUROSCIENCE** **2023**

A Multidisciplinary Environment

Bioengineering, Mathematics, Medicine, Physics,
Neurobiology, Neuroscience, Psychology, Statistics,...

Diverse Neuroscience Fields

Cellular & Systems, Cognitive, Affective, Behavioral,
Computational, Neuroimaging, Translational &
Clinical Neuroscience

Cutting-edge Facilities

Multimodal brain imaging and stimulation,
Electrical and optical circuit recording and manipulation

At least 13 Positions & >50 research lines

<https://pnc.unipd.it/phd-research-lines/>

PhD Coordinator: Antonino Vallesi

Call opening: 9th May 2023

Deadline: 7th June 2023, 1 pm CET

Interviews: expected 5th - 7th July 2023
